April, 2009

Dear Friend:

As you know, the American Recovery and Reinvestment Act is a historic \$787 billion economic recovery package. It is a bold, critical step aimed at rebuilding American through job creation and economic revitalization.

The bill is important to families in the 13th Congressional District and the State of Michigan. We have been hit hard by the economic downturn, the worst financial crisis since the Great Depression. At 12.6%, our unemployment rate is the highest in the nation. Home values are decreasing, and communities are struggling to provide important services and jobs.

Michigan will receive billions in direct aid, including \$2.2 billion in Medicaid assistance, \$1.5 billion to help state and local governments fund education and other critical services, and \$1.1 billion to repair, replace, and rehabilitate infrastructure. Because it is important for families, business owners, service providers, and local governments to have the information needed to access these funds, I have prepared this resource guide. It includes information on many federal programs and funding opportunities available to individuals, businesses, and communities in the 13th Congressional District and throughout Michigan.

I hope you find this information helpful. If you have any questions, please call my office at (313) 965-9004. I also encourage you to visit www.recovery.gov for more information.

I look forward to working with you to bring jobs, help, and hope to the 13th Congressional District and our state. By working together, we can lay the foundation for an improved economy in Michigan and throughout America.

Sincerely,

A handwritten signature in cursive script that reads "Carolyn C. Kilpatrick".
